

Air Quality Compliance	NEPA Compliance	Geospatial Analysis/GIS	Biological Resources	Regulatory Compliance & Permitting	Environmental Audits	Soil & Groundwater Investigations
Greenhouse Gas Emission Inventories & Reporting	Environmental Impact Statements (EIS)	Data Acquisition & Management	Biological Assessments (BA)	APD/Right of Way Permitting	Phase I Environmental Site Assessment	Soils & Hydrologic Site Investigations
Emission Inventories & Evaluations	Environmental Assessments (EA)	Spatial Analysis	Section 7 Consultation	Federal/State Permitting	Phase II Field Investigations	Soil & Groundwater Remediation
Air Dispersion Modeling: AERMOD, CMAQ, CALPUFF, CAMX	Categorical Exclusions (CX)	Thematic Mapping & Site-Diagrams	T&E and Special Status Species Study/Survey (Flora/Fauna)	SPCC Plans & Updates	Asbestos Building Inspections	Remedial Investigations & Feasibility Studies
Ozone Photochemical Modeling	Alternatives Development	Geodatabase Design & Management	Habitat Assessments	SWMP/SWPPP BMP Design & Site Inspections	Disposition & Acquisition Audits	Construction Dewatering & Wastewater Discharge Permitting
Emissions Control and BACT Analysis	Mitigation Planning	Data Updates, Conversion, Post Processing & Verification	Onsite Monitoring for Special Status Species	Emergency Response & Contingency Plans	EH&S Program Compliance Audits	Groundwater, Soil, and Soil Vapor Sampling
Air Permitting: Minor & Major Sources, Title V, PSD Applications	Public Scoping & Public Meeting Coordination	As-Built CAD Drawings	Noxious Weed Inventories & Management Plans	Waste Management Plans		Construction & Site Remediation Oversight
Meteorological & Pollutant Monitoring	Agency Consultation & Coordination	Cartography & Plotting Services	Reclamation Monitoring	Risk Management Plans		Risk Analysis
NEPA Air Quality Impact Analyses	Baseline Environmental Studies & Permitting	Basic GIS/CAD Training	Raptor Nest Inventories / Migratory Bird Surveys	SARA Title III Tier 2 Reporting		
Risk Assessment: Toxic Impact & Exposure Analysis	Administrative Record		Special Status Wildlife Clearances	Well Completion Reports		
	Preparation of ROD / FONSI		Wetland Delineation & 404-Permitting	Environmental Inspections		
	NEPA Compliance Training		Biological Resource Mapping	Water & Wastewater Treatment
